CBC SHUFFLE — PLAYER QUICKSTART

Conshohocken Bocce Club shuffleboard league

1 Install the app

Open cbc-shuffle.vercel.app on your phone (or scan a table poster). iPhone: Share > Add to Home Screen. Android: tap Install.

2 Sign in

Enter your email. Tap the link we send, or type the 6-digit code from the email. You stay signed in all season.

3 Join your team

Enter the 6-letter join code from your captain, or claim your name from the roster.

4 Match night

Scan the QR poster on your table. Tonight's match opens. Captains (or a designated scorekeeper) tap Keep Score.

5 Keep score

Each frame: tap the points for the side that scored (+1, +2, +3, Hanger = 4) then Next frame. Undo fixes mistakes. Games end at 15; first to 2 games wins. Everyone watching sees it live.

6 Quick Entry

Kept score on the board? Enter the final score of each game instead.

7 Submit and confirm

Submit when the match is over. The other captain confirms (or disputes) in the app. Results auto-confirm after 12 hours and standings update instantly.

8 Trash talk

Every match has a thread and every night has a room. @mention someone to get their attention. Slurs get you muted.
